Report of the Executive Committee for the Year 1947.

The Executive Committee wish to thank most sincerely all who have in any way assisted the Hospital during 1947. They feel sure that this high standard of performance will be maintained until the appointed day, July 5th, when the Hospital passes to the ownership of the State.

1947 has again been a busy year with a slight decrease in attendance of In-patients but with a marked increase in operations, Out-patients and X-Ray cases and in this connection it should be noted that the trained nursing staff is still at pre-war strength. The position of the domestic staff has improved owing to the recruitment of three foreign maids. Administrative work has shown yet another increase owing to requisitions for information *re* impending transfer.

On the 30th June, 1947, Dr. E. Lawton Moss terminated his 17 years of distinguished service as Gynaecological Surgeon and has been succeeded by Mr. D. G. Wilson Clyne.

At the end of August the Hospital sustained a grievous blow in the sudden death of its Chairman, Squadron Leader Cecil G. Mathew. During his all too brief tenure he mastered the work of the Hospital and endeared himself to all who worked there. Dr. T. C. Jameson Evans kindly undertook the duties of acting Chairman until the close of the year when Sir Kinahan Cornwallis was appointed as our new Chairman.

The Hospital has lost many valued old friends during the year—Mrs. Collinson who, as Miss Ada Stroughill, was the first Matron of the Hospital in 1897, and Mrs. Widenham Fosbery who was one of the Hospital's most loyal supporters. Messrs. Hepper and Whenday are also gratefully remembered for their services on behalf of the Hospital and especially as members of the Fleet Workers' Hospital Committee. And then, when this Report was in the Press, the Rev. Dr. J. L. Buchanan, Vicar of Fleet and Hon. Chaplain to the Hospital, passed away, and in him the Hospital has lost a sincere and sympathetic friend.

It was with great regret that the Executive Committee received Mr. H. D. Rendall's resignation as Honorary Treasurer at the end of the year. Mr. Rendall has been Honorary Treasurer for the last 25 years which in itself is remarkable, but all this time while many Hospitals were hard put to it to make ends meet and only too often were permanently in debt, Fleet Hospital not only remained solvent but, through his wise guidance, was able to amass a reserve of funds towards extension of buildings, new

apparatus and provision of wireless for patients. Twice during his Treasurership has the Hospital extended its buildings and, but for the war in 1939, the last proposed extension would have provided a Hospital as well-equipped as any in the country. All this could only have been brought about by constant attention to finance and continual attendance at the Hospital which has meant many hours' work every week. The Hospital owes him a debt of gratitude better conveyed by the evidence of its continued expansion and service than by mere words. The Executive Committee felt it would be the wish of everyone that Mr. Rendall should be made an Honorary Member of all Hospital Committees so that our long connection with him should not be severed. We have been fortunate in securing Mr. E. H. Curling as his successor.

The rising tide of expenses has necessitated a further withdrawal of £1,000 during the year from our savings reserve in the Extension Fund, but the position was once again relieved by bequests from Mrs. Elizabeth Eades of Hartford Bridge and Mrs. Widenham Fosbery of Fleet. In addition, very generous help was granted to the Linen Fund from the proceeds of entertainments in Hartley Wintney and Fleet.

A new wireless installation has been bought during the year and is much appreciated by the patients.

Mrs. Wyatt of Fleet with a number of helpers has most kindly and skilfully repaired all the books in the Hospital library.

During the year we have been able to obtain delivery of the cot and equipment subscribed for by the Fleet Church of England Schools and a similar cot and equipment has been given out of the savings of the late Jill Savill.

The Hospital reached its Jubilee in 1947 and this was the occasion for a booklet to be issued giving its history and development over 50 years. The Executive Committee would like to record their appreciation to the writer of this booklet who wishes to remain anonymous, not only for the time and trouble taken in compiling the booklet but in addition for bearing the total cost of producing it so that the Hospital can benefit by its sale at 2/- per copy. Some copies are still available at the Hospital.

The ever-increasing expenditure is a source of anxiety to the Committee and they hope that all those who have so generously supported the Hospital for so many years will continue to do so as long as its voluntary status continues.

It will be realised that this Annual Report for 1947 is the last issue of its kind and the Committee must not fail to take this opportunity of expressing their deep and abiding thanks to the whole community which includes very many munificent and sympathetic supporters.

The passing of the Voluntary Hospital, as we know it, will be most deeply and widely regretted, but it is tempered by the remembrance of never-failing help from everyone throughout its history of more than 50 years.
